Subject: PRESS RELEASE 7/14/15 - Road Closure - Wylie Rd south of Lindsey St Intersection

PRESS RELEASE

City of Norman
201 West Gray
Norman, Oklahoma 73069

For Immediate Release: July 14, 2015

Contact:

- Mark Daniels, Utilities Engineer, 366-5443, mark.daniels@normanok.gov
- Chris Serrano, Utilities Coordinator, 366-5265, chris.serrano@normanok.gov

Road closure – Wylie Road south of Lindsey Street Intersection

Weather permitting, Wylie Road south of Lindsey Street will be closed to through traffic at 8 a.m. Wednesday, July 15, to perform water line installation and will be re-opened to through traffic by 5 p.m. Friday, July 17, 2015. McKee Construction, under contract with the Norman Utilities Authority, is currently installing a new 24-inch water transmission line along Lindsey Street from 24th Avenue SW to Berry Road.

Warning and detour signs will be placed to assist the motoring public. Southbound traffic is urged to use alternate routes such as Berry Road to Rebecca Lane to Wylie Road. Northbound traffic on Wylie Road south of Lindsey Street will use a similar route. Weather permitting; the entire waterline project should be completed in August 2015.

For questions about the project, contact Mark Daniels, City of Norman Utilities Engineer at mark.daniels@normanok.gov or 366-5443 or Chris Serrano, City of Norman Utilities Coordinator at chris.serrano@normanok.gov or 366-5265. For additional information on the Lindsey Street Project, visit www.lindseystreetnorman.com.
